We know where our wood comes from

Behind every one of 16,000 products is our Forest Friendly promise.

- ♥ Always from a sustainable source
- ♥ Always replenishing what's taken
- ♥ Helping to protect forest livelihoods
- ♥ Helping to protect forest habitats

We are proud to say that every single product in our stores that's made using wood (from decking to wallpaper) comes with an outstanding Forest Friendly pedigree.

We insist that every one of our 16,000 wood based products comes from a source that's independently verified as sustainable. It's taken 20 years of hard work and close partnership with experts in sustainable timber (FSC, TFT, PEFC) to develop these market leading standards.

What's more you won't pay a penny extra for Forest Friendly products – you'll always get great B&Q prices, with ethical value rolled in.
