# 5 year installation guarantee

Deciding which kitchen, bathroom or bedroom is perfect for you is one thing, but we know that not everyone has the time or experience to install it themselves. We can take care of your project from concept, plan and design through all aspects of installation including cabinetry to plumbing, electrics, gas works, flooring, plastering, tiling and joinery. With over 15 years of domestic installation experience, over 1/2 million completed projects and international accreditation, you're in safe hands, we're the most experienced national retailer in the UK.

All projects are managed locally so you'll always have somebody close by to contact if you need any help or advice. Once the work has been completed, and we've checked that you're happy, you will receive a 5 year workmanship guarantee; **the best of any national retailer in the UK today.**

Our B&Q Homefit service is audited and has best practice relationships with...

We are independently audited by the Government endorsed Trustmark scheme. This provides you with independent financial protection.

As a responsible retailer, we are a member of The Furniture Ombudsman and their payment protection scheme. They are an independent body and we comply with their Code of Practice to ensure that our consumers can buy from us in full confidence.

We have been certified by FIRA International to their FIRA Gold Certification scheme for our installation services. The FIRAGold Certification Scheme for Installation is the ultimate mark of excellence within the furniture industry and our services are independently checked and audited by them annually.

We have been awarded certification to The International Standard for Quality Management ISO 9001. Continually improving our systems and procedures ensures our customers consistently receive high standards of services that meet their expectations.

# Add a splash of colour

**IT'S EASY WITH OUR AWARD-WINNING, INNOVATIVE RANGE OF ACRYLIC AND GLASS SPLASHBACKS. THEY'RE ALL THE RAGE.**

Tiling the wall area behind the hob and worktop to create an easy-wipe surface used to be our only option; then stainless steel splashbacks and washable paint came onto the scene. Now, splashbacks just got a whole lot easier - and better looking!

### Acrylic splashbacks...

Lightweight and easy to fit, our super-smooth acrylic splashbacks come in a choice of sizes and a wide array of stunning colours. Best suited to electric hobs, they can be cut, drilled and shaped if needs be, using standard wood working tools.

### Glass splashbacks...

The perfect choice behind a gas hob, our glass range includes the very latest designs, including stylish patterns made possible by recent developments in technology.

### SPLASHBACKS – BENEFITS

**Great for the environment...**  
Environment-friendly production process does not release any harmful emissions.

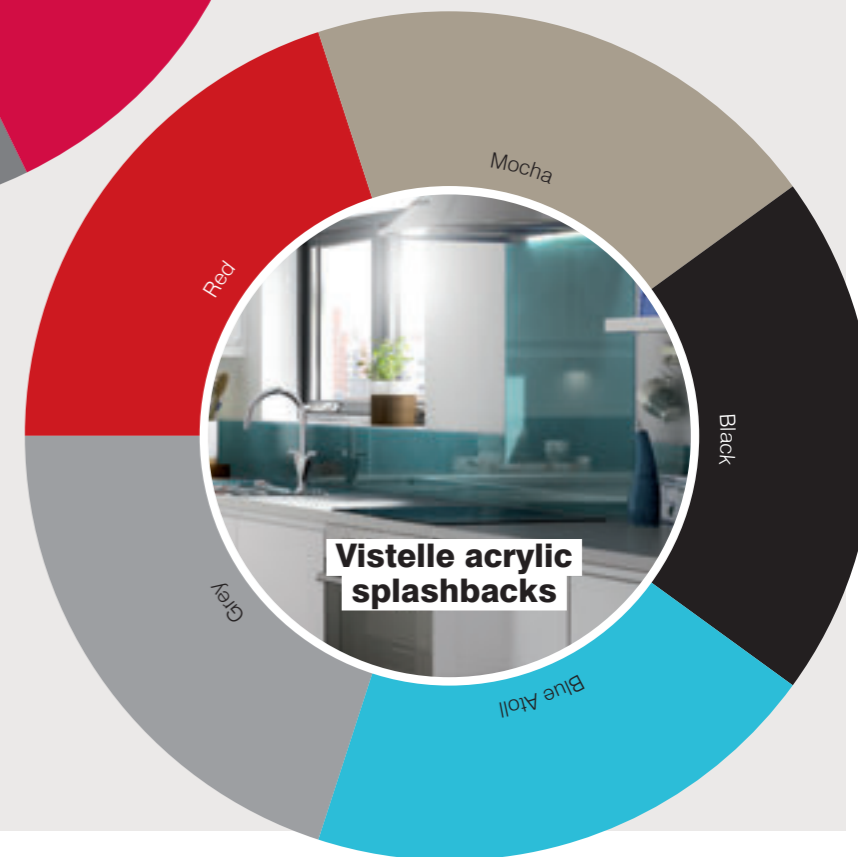

**Great for you...**  
Resists bacterial growth, making it both hygienic and easy to clean.

### Cat's Tip

# Doing our bit for energy efficiency

**All our fridges, freezers, dishwashers, washing machines and single ovens are at least A rated – and you'll find some as high as A+++ rated.**

Behind the scenes at B&Q, we've been working closely with our suppliers to make our kitchen appliances more energy efficient. Replacing old appliances with our energy efficient models will help to keep the running costs of your new kitchen down. To save even more, use timers on washing machines and dishwashers to wash at off-peak electricity times of day and try to avoid half loads.

You can do your bit to reduce the pace of climate change - reduce your energy consumption to reduce your carbon emissions.

### BENEFITS AT A GLANCE

**1. The professionals' choice**  
The ultimate in practicality and functionality, when only the best will do.

**2. High style**  
The hi-tech look is a real winner for today's kitchen styles.

**3. Easy living**  
So flexible, designed to make light work of a range of washing and rinsing tasks.

# THE EASIEST TAP TO FIT EVER!

Well, we think so. And what's more, if you fancy a change, once you've fitted a Simplifit tap, it's easy to swap it for another Simplifit style - just unclip it and clip on a new one. It really is that simple.

*It couldn't be easier...*

1. Insert the hoses into the tap hole and lower the universal base onto the surface of the sink
2. Tighten with the allen key supplied
3. Position the tap body and spout onto the universal base

## BENEFITS AT A GLANCE

- 1. Quick and easy**  
Tradesmen love the speed and ease of installation but you don't need to be a plumber to fit Simplifit
- 2. Leading innovation**  
One of the brightest ideas in taps, the Simplifit concept has been developed for speed, ease and choice.
- 3. Stylish choice**  
Technology and style are combined to offer a range of 4 designs to suit your kitchen style

Look at our video to just **how easy it is** to fit Simplifit taps.

# A TASTE OF THE TRADITIONAL

The perfect complement to farmhouse or period styling, a traditionally designed tap is one of the key elements that defines the whole look and feel of the kitchen.

Our heritage styles benefit from 21st century technology, giving you the look you want without compromising performance. Choose from mono bloc mixers or the classic 'bridge' mixer style, both with swivel spouts.

# FILTERED WATER on tap

Enjoy limescale-free, great tasting freshly filtered water straight from your kitchen tap.

Brita's latest tap innovations combine ordinary unfiltered hot and cold water plus fresh, filtered drinking water supplies in one tap. Ingenious!

## BENEFITS AT A GLANCE

- 1. Free installation**  
We'll arrange for your Brita filter tap and replacement cartridge system to be installed free of charge.
- 2. Great taste, less limescale**  
With limescale, chlorine, metals and other impurities removed, your water has so much more flavour. Stops kettles getting scaled up too.
- 3. Good for the environment**  
You need never buy bottled water again. Save money and the environment - no more plastic bottles!

### Easy-change cartridge

Lasts for 3-6 months depending on the hardness of your water.

# Banish washday blues

Without doubt the hardest working appliance in your kitchen, it's important to choose a washing machine or washer dryer from a brand you can rely on.

At Indesit, even though their built-in machines end up neatly tucked away behind closed doors, they are 100% focused on every product's style, performance, specification and efficiency. In the last year alone, Indesit have won 30 Which? Best Buys across 9 different categories.

It's a good job Indesit have designed-in unique washing and drying solutions for sportswear!

## Wash & dry

Why just wash when you can dry too? Indesit's new built-in washer dryers are more energy efficient than ever and feature condenser dryers so you don't need a ventilation kit.

Great programmes and functions designed to make life easier including easy iron, delay timer and quick wash.

A humidity sensor monitors moisture levels in the drum so your clothes stay as good as new and don't over-dry.
