AUSTRALIAN WOOL MATTRESS ENHANCER

This high-end Australian Wool Enhancer is a perfect addition to create a highly luxurious and comfortable night's sleep. With its 800gsm filling made up of 60% Australian Wool and 40% Hollowfibre, it will add an extra 3cm layer of comfort and warmth.

Not only does this item help improve your night's sleep, but it will also protect your mattress and increase its lifespan.
